

11/20/2020

Dear Families,

After much consideration we have made the decision to close the center from December 25, 2020- January 3, 2021. We will reopen our normal hours on Monday, January 4, 2021. With COVID on the rise and we are in cold/flu season the health and safety of the children and staff is of the utmost importance. During this time we will have the building professionally cleaned and sanitized. This cleaning/sanitizing will include all surfaces, floors, carpets, and ceilings using an EPA certified disinfectant and a Nano ULV fogging treatment.

No families will be charged tuition during this week. We appreciate your understanding with this week of shut down. If you have any questions or concerns please feel free to call me (203)736-2554 or email me [sbullard@juliadaynursery.com](mailto:sbullard@juliadaynursery.com).

Respectfully,

Shannon Bullard  
Executive Director
